Reference letter for Ms. Jane Austen with respect to use of the CEU Library

Ms. Jane Austen is a Masters student at Sussex University and is writing her dissertation under my supervision.

She wishes to use the CEU library to source literature on the subject of her dissertation, which concerns an aspect of Hungarian landed gentry.

She would like to use the library resources for three months beginning on June 20th. 2007.

I would be most obliged if you would grant her permission to use these resources at CEU.

Yours sincerely,

Cassandra Elizabeth
